Miramar Beach Hotel Theoule-sur-Mer

After navigating a spectacularly winding coastal road, **Cognoscenti Magazine** editors arrived in the town of Théoule-sur-mer to settle in at the lovely **Miramar Beach Hotel**, a 4-star beachfront property that is part of the Golden Tulip group.

Located along a particularly beautiful stretch of the Côte d'Azur between Cannes and St-Raphaël, Théoule-sur-mer is relatively undeveloped by the standards of the region. Our room—one of 57 at the Miramar Beach—presented fine vistas over the Mediterranean's shimmering blue waters. Decorated in the sunny colors of fresh lime, ripe melon and red raspberry, the room had a casual yet trendy feel.

From its private terrace, we watched the waves lap gently over jagged rocks that wrapped the hotel's private beach. Below, lounge chairs in nautical white and blue lined the beach, where guests sit right at water's edge. Other features include a heated swimming pool, a spa, an unusually well equipped fitness center, a restaurant, and an appealing piano bar.

In the mornings, a full breakfast is served in the hotel's top-floor dining room, which offers broad vistas over the sea. This professionally run hotel is recommended for discerning travelers in search of a beach resort that's casual enough for relaxation, yet refined enough to offer almost every comfort.
